

# CRETA

# Fun-loving and hard-working

The new CRETA

The new CRETA rewrites the book on compact crossovers. The style is sensuous and sporty, reflecting CRETA's impressive dynamic capabilities and fun-loving driving personality. From tip to tail, there's new thinking—in the powertrain innovations, in the cockpit design and in the expanded support for digital connectivity. But most important of all, the new CRETA abounds in versatility staying true to its crossover roots.

## Get more done everyday.

A trusted tool. A member of the family. Objet d'art . A tech toy. CRETA is all of these and much more. Whether you're single, married with kids or empty nesters, the highly versatile CRETA is designed to be a perfect fit. It's the efficiency multiplier that helps you do more each day and to get it all done in style.

Aero-sculpted front end with signature cascading grille

LED headlamps with LED DRLs  
17" diamond-cut alloy wheels

LED rear combination lamps

## Dare to be different.

Masculine and modern with a difference: That's the CRETA style. CRETA's jewel-like headlamps, its outsized grille and other bold details dare to be different and push the boundaries of design. From every angle, CRETA radiates supreme confidence and driving excitement, a feeling that intensifies when you push the start button.

## Big and small helpers.

In big and small ways, CRETA helps you drive safer. The first line of protection is provided by CRETA's body structure which is made with advanced ultra-high tensile-strength steel to give it exceptional crash resistance. Dual front airbags and an Anti-Locking Braking system are part of the standard safety equipment package but if you need more, the list of optional safety features is extensive.

### 6-airbag system (Driver, Passenger, Side & Curtain)

Standard front row protection includes a pair of depowered airbags but is upgradeable to include thorax protection (front only) and curtain airbags that shield first and second row occupants.

### Hillstart Assist Control

When starting from a stop on a hill, HAC prevents the unintentional rollback that can occur after the brake pedal is released. Optional.

### Rear Parking Sensors with Rear view camera

The camera lets you see everything when backing up and if you're too close, the distance sensors will trigger an alarm. Optional.

### Rear disc brakes

Braking performance improves dramatically with 14" solid discs in the rear. Up front, 16" ventilated discs are standard.

### Rear view camera with guidelines

Parking is a lot easier with this option: Colored lines on the rear view display help you align the vehicle with the target parking spot.

## Enjoy it your way.

Whatever tasks you have lined up for today, the versatile CRETA is perfectly suited for the job. Whether it's a solo trip to pick up some supplies at the garden center or a weekend outing with family and friends, CRETA offers an abundance of space that makes life a lot easier. A wide range of optional extras let you customize your CRETA to your individual requirements.

LED MFR headlamps & LED DRLs

Puddle lamps

LED rear combination lamps

Full automatic temperature controls

Electric Parking Brake with Auto Hold

Cascading grille

Front fog lamps

LED personal lamps (Panoramic sunroof only)

6:4-split rear seats with 2-stage recliner

Wireless smartphone charging system

### Panoramic sunroof

When the weather is ideal and the mood strikes you, just press the button, the glass roof slides back and you enjoy the pleasure of open sky driving.

### Bose premium sound system

The Bose name is one of the most respected among audiophiles. This 8-speaker option, professionally tuned to match CRETA's cabin acoustics, delivers a concert hall sound experience.

### 60:40 split-folding rear seat

You can pack a lot into CRETA's 433-litre luggage space but with the optional split seat, you get more cargo room and extra versatility.
