

# STARIA

# Step into the Space.

Prepare to embark on a new journey into the revolutionary space of STARIA, where you will travel in maximum comfort, enjoy the pleasure of face-to-face conversation, and spend life-enriching moments. In this space, the possibilities are as unlimited as the different lifestyles of its owners. It's one small step for STARIA and one giant leap into the future of MPV mobility.

# STARIA

The iconic good looks of the STARIA are just half the story. Just step inside to discover the rest: every cabin detail has been reimagined to make driving life easier, safer, and more fun. Innovating inside and out: that's the sign of authentic design leadership.

# In a class of its own.

From the moment you first lay eyes on STARIA, you know it stands in a class of its own. It's not imitative or derivative but a truly original creation—the product of inspired design. Inside, you're greeted by a spacious, wide-open cabin that flourishes with premium touches like the digital gauge cluster and elegant materials that feel so soft to the touch and are always easy on the eyes.

LED headlamps

Parametric pixel lights (LED rear combination lamp)

# 11 Seater

The STARIA 11-seater offers limitless possibilities and is perfect for both short and long excursions. There's ample legroom, shoulder room, and headroom, plus multiple USB charging ports on board to keep everyone happy during the trip.

## Full flat seats

Folding the backrests of the 2nd-, 3rd-, and 4th-rows into the flat position increases the load space to 2,468mm so you can carry oversized items, extra luggage, or enjoy overnight camping if you like.

\* The 11-seaters' 3rd-row center space is empty. Caution is advised when using the full flat feature.

# Powerful and safe.

Whether you choose the diesel or gasoline engine, the 6-speed manual or 8-speed automatic gearbox, STARIA's new and more efficient powertrains unleash powerful performance and a rush of endorphins. When the roads are slippery due to poor weather conditions, HTRAC all-wheel drive delivers maximum traction to all four wheels so you can keep moving ahead safely. Standard safety equipment includes 3-point seatbelts, headrests, and the latest airbag technologies to keep everyone aboard well-protected.

## Smartstream G3.5

272 Maximum Power  
ps/6,400 rpm

33.8 Maximum Torque  
kg-m/5,000 rpm

## 2.2 CRDi Diesel

177 Maximum Power  
ps/3,800 rpm

44.0 Maximum Torque  
kg-m/1,500-2,500 rpm

## HTRAC all-wheel drive

Whether you're driving in snow, in rain or over unpaved roads, HTRAC ensures that all four wheels are providing maximum traction at all times. And for those special times when you want power distribution to be evenly split between the front and rear axles, just press 4WD Lock.

# STARIA

Spacious and smart, the STARIA provides everything you need to get the job done efficiently, safely, and in style. You get loads of room for your cargo and a well-appointed cabin that provides an oasis of comfort and relaxation for you and your crew.
